**Jewell Announces New Jewell
Voltage & Frequency MiniMeters**

Jewell Instruments, LLC is proud to announce our new Voltage and Frequency MiniMeters. Both meters offer:

- Compact construction
- Splash proof front
- Large 0.4" red LED display
- Self Powered
- Bezel, gasket and spring clip mounting included
- Connects directly to power line
- Self powered
- For new design or replacement
- 1 year warranty
- And more!

These MiniMeters provide a low cost, affordable alternative for many Datel Meters. Contact Veronica Tewksbury at vtewksbury@jewellinstruments.com for additional information or visit us at www.jewellinstruments.com .
