

Product Announcement For Immediate Release

Magnetec Solenoids

Jewell Instruments offers a wide array of Tubular, Interposer, Open Frame in both C-Frame and D-Frame configurations, Dual coil bi-directional solenoids, and Frameless and Stopless solenoids. Jewell also manufactures customer design solenoids. Jewell's Tubular solenoids incorporate our TriCore magnetically efficient designs with only three air gaps in their magnetic circuit. Jewell also offers electronic modules to power down solenoids & conserve energy and provide time delayed input signals. Visit the Jewell Web site at www.jewellinstruments.com
